Dining Room Reservations

As many of you know, reservations are generally not mandatory in the dining room, but are GREATLY APPRECIATED. Reservations help us have the appropriate number of staff members on the floor and in the kitchen and it helps us prepare the right amount of food. This helps keep our cost down, as well as yours.

Mandatory Reservations: We ask that anyone coming to dinner after 8:00pm Wednesdays – Fridays or Sundays after 2:00pm make a reservation.

Letter from the General Manager

Dear Members,

Summer is officially here and you can definitely feel it now! We had some nice cool nights in May and hopefully June will surprise us with a few cool nights as well. Last month, we had our first "Wine and Food Festival" and it really turned out great. Chef Dennis and Chef Tyrone prepared 7 delicious dishes that were paired with 7 wines and the ambiance with the people and the nice weather by pool made it a perfect night. We are going to try to have an even bigger one in the Fall, so check your Communiqué! Since we have such a nice pool area and deck, we are going to utilize it for more events in the future, like our Luau in July. The pool area is also available for private parties, such as dinners, luncheons, ceremonies, and crawfish boils. Please let Monique or I know if you are interested in having an outside event. Also, if your kids or grandkids are looking for something to do this summer, check out our swim team & lessons and our golf and tennis camps.

On a more personal note, I would like to thank everyone for the warm wishes last month on my marriage to Mike Yenni. It's been a wonderful and busy past few months and now I am ready to enjoy our lives together!

Hope to see every one soon!

Michelle Swanner Yenni
